“ *I worked with Don for a handful of years at Fifth Third. Don, Jack, Bob, MaryAnne, and I shared so many lunches together...best part of my day was grabbing a coffee or sitting back to enjoy a meal with these amazing friends while Don entertained us with countless stories. He was so talented telling them with unbelievable wit, humor, and charm. Always sensible and loved helping others.*

“ *To My Loving Husband..
Thank you for almost 23 years of patience, kindness, understanding, support and unconstitutional love. You were my true North and I will miss you terribly. I sincerely hope you are now at peace and are experiencing a happiness beyond our human comprehension.
I love you. ☐*

*Buddy..
It was a spell check error that put unconstitutional instead of unconditional love..even though you knew I am all about the Constitution. 😊*

“Dink” as I called him was my Brother in Law and I loved him dearly. He was a very kind and gentle soul who loved his wife, his children and grandchildren. My Mother Gloria adored him and he in return loved her very much and was very good to her. Dink loved his dog “Winston” and he senses in a dogs way that his Master is no longer here but they will meet when he crosses over that “Rainbow Bridge”. See you on the other side. Donna Neff
