“ *I knew Don for only a brief period of time -- I was his hospital roommate at St. Luke's for a week in July 2011. Don & I exchanged email addresses and exchanged only a few emails. But I'd like for Don's family to know that he made an impression on me in the very short time that I knew him. He was a very kind man and a very supportive, interesting man. I regret not having kept in better touch with him. I just found out about Don's passing when happening to think of him and doing a Google search. My thoughts/prayers to Don's family.*
