

Donald Branson

April 13, 1959 - May 26, 2025

Donny was born April 13, 1959 in St. Louis, Missouri and entered into rest Monday, May 26, 2025 at the age of 66 years.

He is survived by his children, Meghan (Travis) Hunt, and Niki (Tristan Searcy) Branson; grandchildren Harper and Elijah Hunt and Tatum Searcy; siblings Kenny (Patty) Branson and Brenda Jane Branson; loved ones Dawn Schoenhoff and Donna Shipp.

He was preceded in death by his mom and stepfather, Gerri and Ken Heim as well as birth father Stephen Branson.

Donny was a lifelong car geek and an absolute devoted fan of the St. Louis sports teams, but the Kansas City Chiefs held a special spot of its own. He passed away peacefully by closing his beautiful blue eyes one final time.

Donny's love of the open road, cars, and music are all things he desired to share with loved ones. Spending some time in pit crews for stock cars was a cherished memory for many years.

His passions didn't stop at the race track. He found peace in the outdoors and eating roast beef sandwiches and drinking sweet tea from Lion's Choice.

While life can have a way to let us drift apart, death brings us back together.

He is very loved and missed.
