“ *Drew, you were a good friend and a great asset to Savvis. I have many fond memories of Drew. Most notably, his desire to help others. He was instrumental in my progress at Savvis. It was also a bonding factor that Brad Sweeney, his cousin, is a friend and former tennis partner at Oakville Senior Highschool. You will sorely be missed. I hope you're received into heaven and achieve the the peace you deserve. I will never forget you my friend!*
