“ Sarah,

*Where do i even start. My heart aches for you. Im so so so sorry all the pain you felt inside. You had a heart of gold. And a smile the lit up a room. High school is where my fondest memories with you are. I will NEVER forget all those times you made me bust out laughing in the middle of a silent class bc of a face u made or one of your funny quirky sounds. Our birthday week will always been dear to me. All the birthday hugs and laughs between me u and jenna will be close to my heart. I hope you have your peace and hurt no more. You will forever be in my heart my beautiful friend. Love you*

“ Sarah, you were such a bright, fun, amazing friend. You were one of the first people I ever met truly your own person; in a sea of adolescence and insecurity, you always had that knowing grin on your face. You got it before so many of us did and knew exactly who you were. It was a pleasure to know you. You are missed and loved by so many.
