“ *Kelly and Kristen, We are so saddened to hear of your Fathers death. Your parents moved to Shrewsbury and purchased their home next to Mom and Dad and were so kind and helpful to them forever. As I grew and eventually went on to college, it was always so reassuring to my brother and I that they were next door and so thoughtfully watching over them. I well remember when you two were born and how proud they were. Mom was occasionally asked to watch over you both when your parents needed a sitter and she always looked forward to the next occasion. They were model parents and could not have been better neighbors to the block. I remember water skiing and flying with your Dad, he always seemed to be doing activities of great interest to me and so kind to invite me along. Long after I married and moved, Mom would always tell me about her phone calls from your Mother and keeping me informed of your families lives. We have lived in Florida for 9 years and that is the only reason we will be unable to attend your Dad's service. Please know you are in our thoughts and prayers and that we will forever be grateful for the friendship and kindness your family always offered ours. Our best to you both at this sad time, Vicky and Terry Schaefer*
