“ Donna was so special to the River of Life Church family. She WAS the church. She loved doing outreach with the children's ministry. Donna just loved being outside.

Funny story ~ There was a time when she had to be rushed to the hospital and wasn't able to grab everything she needed. I asked if I could pick anything up for her - Mind you, I REALLY don't like hospitals, she said she needed her teeth.

I went to her place and upon my arrival i noticed there were dirty dishes in the sink. So I quickly ran a sink full of suds and placed the dishes to soak in her absence. Grabbed her teeth and delivered to her in the hospital.

MONTHS LATER she shared that when she came home apparently the sink overflowed and had to be cleaned up. OH MY STARS ~ that was ME!! I didn't realize that the faucet had a slow drip!!! We had a good laugh ~

In addition, my son never failed to give Ms. Donna the biggest hug ~ she loved it.

*Nice to know I'll see Donna in heaven someday.
God bless the family

“ She was my best friend for 48 years. And she was beautiful and giving. I am empty without her. The world has lost a loving woman.

“ *My grandma would call me on messenger every year on my birthday (which is big for her because she was not tech savvy). No matter what she'd always call and sing happy birthday.*

Love and miss you forever grandma.

*Love,
