“ Tammy I am so sorry for you and the family as Donna and I were so close as you know when we were in school and got closer when we moved to Fenton and you and my daughter were in the same grade and I remember the Girl Scout hayride where we all got frozen...please give my love to the family and this is the only pic I ever had of her but I think she has some of me which is weird but we didn't need them as we were wild and free in school....love you all and R.I.P. my friend
