Born April 24, 1945, in St. Louis, Missouri, Donna was retired from the Jefferson County Juvenile Office. Her gentle kindness, understanding, and love toward everyone around her will carry in hearts forever. Donna and her late husband Mike are reunited for eternity and their hands will work together again to guide their children and loved ones. For those close to Donna, you know how much she loved you because she showed it and told you every time. “ *I worked with Donna for nearly 30 years at the Jefferson County Juvenile Office. She was a charming, cheerful, and highly effective member of the Juvenile Office staff. It was indeed a pleasure to work with such a positive person. Donna became more than a trusted co-worker, she became a dear friend to each one of us. My condolences and prayers are sent to her family.*
