“ I was in Dora's SS class and enjoyed her caring and compassion in teaching the class. She was always eager to come to our 50+ meetings and outings. She was always willing to bring something to share for the meals, and I was always sure to make decaf tea and coffee for her and many others. She enjoyed desserts the most.

She was our prayer request leader for many years and allowed me to fill in for her when needed.

We will surely miss her at the services and gatherings as she was always there. I am so happy Dora is no longer in pain and is in Heaven as she expressed many times she was ready to go HOME
