Doris was proud of her German heritage. She loved her family dearly. Her first husband passed after being married for 25 years. She then met her second husband of 42 years. She loved their long car rides to small towns that ended at a diner with good dinner and pies. They loved listening to Bluegrass and Polka music. Doris was very devoted to her family, she was there for anyone that needed her, even if they didn't know she was needed. Her faith in Jesus Christ was first and foremost in her life, a lifelong Lutheran who loved her church. Doris will be fondly remembered and dearly missed by all those who knew and loved her.

The family would like to send a special thank you to the loving staff at Meramec Bluffs Assisted Memory Care.

“ *My name is Kathy, I did the singalongs where Doris lived. I met there. She was a happy, friendly, lovely lady, who loved to sing. We always talked and laughed each month. Then she had been picked up and gone out. She would come back and say she was sorry she missed singing. Until the past few months she was at singing again.*

She seemed to be having a harder time, but she came when she could. We talked about her and my mom having the same first name. My mom came with me once and those 2 talked and shared stories. Doris was one of my favorites. I will truly miss her.

Thank you for sharing her with me. I know she's in heaven and enjoying herself, whole, healthy, and happy. God bless you all. I will be praying for you all in this time.
