“ I have so many memories with you. I remember when the day I moved in with Linda, you came & picked me up from the hospital & got me some Mcdonald's for dinner. I always enjoyed when you came over. I still remember when I was about 13 years old & you took me to church with you & then one year at Easter you took me to church with you. I have so many other memories with you & I still wish I got to spend more time with you. I will definitely always cherish & treasure every memory I have with you & I am really going to miss you so much. Until it's my time to go to heaven, please watch over Jace for me until I get there & please give him lots of hugs & kisses for me & tell him that mommy misses him so very much
