“ *People knew ms fair as a kind woman, I knew ms fair as kind and warm heart. She taught me good work ethics, for she made sure I had a job every summer. I was always welcome in her home, her daughter and I were good friends. Ms fair wouldn't be ms fair if she didn't ask you for a dollar or two, she never needed it she just wanted to see if you cared for her as much as she cared for you. If I had it to give, I gladly gave to her because she gave me so much more. I'll miss her dearly. Rest In Peace ms fair. Love cookie.*
