“ *I apologize greatly for just learning of Dorothy passing away. I was searching links of my family and knew Great Grandma Dora had married a couple of times having children of each spouse. Dora`s daughter Elizabeth Trimberger Freukes is my Grandmother. I only wish our elder members of our families kept more on touch back in the fifties and sixties so that we as cildren would have known ALL our family members before it became too late. The Great Comforter, our Lord will continue to be with each of you each time thoughts Dorothy come to you even as tears of happy memories. I do have a few old pictures of some of the Trimberger and Barozinski elders if you are interested. Also if you have pics of the older elders I would love to share... In Christ's Love and Comfort, Patricia Freukes*
