“ *I am heartbroken to learn this news just today. We lived on Pernod, just a few doors from Premium Auto, for 13 years and came to know and adore Dritan. Seriously, we saw him almost as part of our family. He was beyond kind and always incredibly giving. We bonded over our many car issues and never would have trusted anyone else for all car advice and services. We know how much his beautiful family meant to him and we send our very deepest condolences.*

*With much love,
Mike and DeAnn Pomatto*

Your entire family has our deepest sympathy. Tony was the kindest and most caring person to everyone. I enjoyed our times at the shop just talking and then going to lunch. He always had time to talk whenever I stopped by no matter if he was busy. Our neighborhood will forever hold fond memories of him. Rest in peace my friend. Harry and Mary Ann Farrar

“ *My deepest sympathy and condolences for the Polovina family. Although I've only known Tony for a few short years, they were definitely good years. I'll miss hearing his stories about traveling with his wife and the stories of his children that he was so proud of. He will forever be missed and hold a special place in my memories.*

Oh no just found. I knee him as tony from his auto shop. Bought a car from tony and he did my car repairs. Very honest down to earth guy. I am sorry for his family and close friends. They lossed a good man way too soon. Rest in peace.
