“ *Dear Juanita and Glenda, Ed, Junior to me, and I always had a special bond and love for each other from childhood onward. I loved him deeply as you did. Words seem so inadequate to express how much I will always miss him, especially his laughter and concern for family and friends. So many people cared about him. He had a giving heart and always made my days lighter whenever we could get together or even when we had a chance to chat. My memories of us are fun filled and sweet. I'll be forever grateful that I was able to share these special times with him and will forever miss him.

“ I became friends with Glenda approximately 2 or 3 years ago. Met Ed. Became good friends. Feels like I have known them forever. They are wonderful people. Will miss him when I come to visit. Now going to have to come visit more often to keep Glenda in line. I know it was a job but Ed told me one time someone had to do it so he tried. Love you Glenda. Prayers for the family.
With sincere sympathy
