“ *I have known Edith since we were 6 years old...a beautiful and fun filled friendship of 70 years! Edie was very special to me as I know she was to you. Fortunately, we all know that this is not the end and we will all see her again as Christ has promised. My sincere sympathy, but just think of the smiles she brought into our lives and be comforted. Prayers and my thoughts are with you. Love to you all, Shirlee Laughlin*

“ *Edie was like a sweet grandma to my girls and me. She loved so easily but whole heartily! Even though she was my sister in laws mother, she was family! I will never forget how she always encouraged me to do better and be a better person. No matter how bad I messed up she loved me anyway and never looked down on me even when the rest of the world did. I love you Edie!* ”
