“ Rest in peace cousin. I'll share a fishing story from back in the 50's. You, Don Moore and me took a bus to forest park to go fishing. Caught a few crawfish's. We hid them in a paper bag so we could get back on the bus. Got back to Ed's house. Tried cooking in a pot. Burn the pot trying to cook them. Didn't eat the crawfish. Worried about burning the pot and getting in trouble with your dad. Cleaned it the best we could and put it away. We got away with it.
