You and I'll never be the same again. You not being around isa huge void within my soul-- you've always been around to fight or laugh or play or just even to talk with I remember when I was barely four years old, I held you in the hospital, just after you were born... Connor, why? What am I going to do without you?:-(

“ I'm going to miss you hollering across the shop. I'm going to miss your half finished sentences before you walk off. I'm going to miss listening to you help someone diagnose a problem they are having. I'm going to miss looking at a new cylinder head with you and thinking why in the hell did they do that. Most of all, I'm going to miss having you as my friend. You took us into your family and became one of ours as well. Rest in peace my friend.

“ Charlie I'm gonna miss you so much. Many, Many times I asked you for suggestions and tapped your vast knowledge to repair some silly issue. You always treated me as if no other problem in the world existed but the one at hand. I will never forget the tour of the shop, first class all the way.. you were always a good friend and will be remembered forever. Scotty

“ I'M FREE

Don't grieve for me, now I'm free;

I'm following the path God laid for me.

I took His hand when I heard Him call;

I turned my back and left it all.

I could not stay another day,

to laugh, to love, to work or play.

Tasks left undone must stay that way;

I've found peace at end of day.

If my parting has left a void

then fill it with remembered joy.

A friendship shared, a laugh, a kiss,

Yes, these things, I too, will miss.

Be not burdened with times of sorrow

I wish you the sunshine of tomorrow.

My life's been full, I savored much

good friends, good times, a loved ones touch.

Perhaps my time seemed all too brief

don't lengthen it now with undue grief.

Lift up your heart and share with me

God wanted me now...He set me free.

In Loving Memory of

Charles Borrini
