“ *Oh my uncle Ed. How I remember you picking Dominic and myself up in the summertime. And taking us out to Busch wildlife to go fishing, and as we got older mom and dad would have you come and stay with us. Of course we wanted uncle Ed to stay with us he will go to bed at 8 o'clock and we would have a pool party. Never understood how you didn't ever wake up. You probably did just said those kids. Uncle Ed I love and will miss you every day. Now you are with grandma and grandpa your parents, my dad your brother, uncle Bobby your brother, and your two older sisters aunt Eileen an aunt laverne. And so many other family members. You will be deeply missed uncle Ed RIP.*

“ *I have known Eddie since I was in 4th grade. He had a kind heart for everyone. Going to the horse shows we had a great time. So many memories of Eddie I just think right now. A few years back was glad to be able to see you again. I will always miss you.*
