“ I work at the nursing home Elaine resided at. Elaine was special. She was smart, she was humorous, she was sweet, she was outgoing, and she had some feistiness to her. Every moment with her was fun no matter what. She loved music. Everytime music was playing, she'd be shaking her upper body and bobbing her head. Elaine will be truly missed. My deepest condolences to her family. May Elaine's memory be a blessing. May she rest in peace. So long Elaine. It was a pleasure.
