“ Betty and I worked together for many years at Maritz. You and I and many others were considered the long timers. Although I haven't seen you since I left I have thought of you many times with great fondness. You had a quiet patience which I respected. You were gone too soon. You will be greatly missed by all that loved you. My thoughts and prayers are with your family.

“ I, too, worked with Betty in Travel at Maritz. I was moved to a different company but whenever I ran into Betty she always had that warmth and friendliness about her that I will always remember. My prayers go out to her family. Time will heal some of the pain but the memories will last forever.

“ Betty was a co-worker and boss of mine back in the 90's. She was always fair and a great supporter. We did spend much time away from the office socializing and my life is better for knowing her. I haven't seen her in awhile but we have been keeping touch on facebook recently trying to get together. We never got to see each other again which is a shame...remember life is too short. Don't put off catching up with old friends. My thoughts and prayers go out to her family...she was a person we could all be proud to have known.

“ I met Betty a very long time ago at Ft Leonardwood,Mo. Her mother and father lived across the street from me and my husband and my precious little boy, with whom they all fell in love with. They called him Mikey . He is no longer wit us either nor is his father both are deceased. I have had contact with Betty over the years and I have pictures of her and Tommy and Mikey and your parents. She was a great friend to me as we'll as your parents, tell them I love them and I know Shaun doesn't remember me but I love him too and you also Carol. You were we're just a girl. May Betty rest in peace. My name then was Van and Pat Fowler.
