

Emilee Elizabeth Rivera

April 30, 1995 - July 28, 2024

Rivera, Emilee Elizabeth (nee Smith), of Kirkwood, Missouri, was born April 30, 1995 in Magnolia, Arkansas to Douglas and Kandi (nee Hitt) Smith and entered into rest Sunday, July 28, 2024 in St. Louis, Missouri at the age of 29 years.

She is survived by her loving husband; Rodolfo “Rudy” Rivera, her two (2) children; Luca Rivera and Posie Rivera, her parents; Doug and Kandi (nee Hitt) Smith, and her two (2) siblings; Bennett (Elizabeth) Smith and Olivia Smith, along with numerous other extended family and friends.

Emilee was a loving wife, devoted mother, beloved daughter and sister. She cherished her family deeply. She so dearly loved her two children, Luca and Posie who were her entire world. She was the best mother spending every waking moment caring for them, making sure that they had every need met. And that love was equally returned by her children.

A woman full of life, Emilee was known for her positivity and infectious smile. Independent and strong, she and her husband shared a beautiful love story as college sweethearts. Emilee was a member of the Alpha Xi Delta sorority and maintained close bonds with her sorority sisters long after their college days.

Emilee’s passions were many and varied. She loved music and movies, was

an enthusiastic foodie, and had an insatiable love for travel. Her passion for travel became her career as a travel consultant, where she helped others experience the joy of exploring new places.

She found joy in the simple pleasures of life, like rainy days, taking walks, going to the park, ice cream, and a good fountain soda. She always saw the bright side, finding beauty in every moment.

Her memory will live on in the hearts of those who knew her and loved her. She will be deeply missed but forever remembered for the light she brought into the world.

“ Sweet smiling Emilee.

*You have always been a bright shining star
and a delight to all that knew you!*

*I remember one Christmas, I had said something to your Poppy and
called him J.L. He didn't pay attention and you yelled J.L. - Aunt
Bee is talking to you!*

You are an angel now, fly high!

I Love You!

“ *Emmy was such a bright light in this world. I'll always remember playing dolls when we were little and how even then it was so obvious she was born to be a mama. Seeing her live her life to the fullest was such an inspiration. That thousand watt smile of hers stood out in every photo and room she was in. It's just not fair that such a beautiful soul inside and out was taken far too soon. I'll remember her kind, gentle spirit everywhere I go, for it is so rare to find people with such a pure heart with nothing but love to give. She will be so missed. Rest easy Emmy, we love you.*

“ Emmy you had the ability to make everyone feel like they were your best friend. The relationship you and Rudy have with Meg has been so wonderful to witness. I will miss the text messages we exchange about redesigning fireplaces and throwing parties. You had an eye for beauty and a kindness that was infectious. Your sweetness will forever live on in your babies!

“ Em..

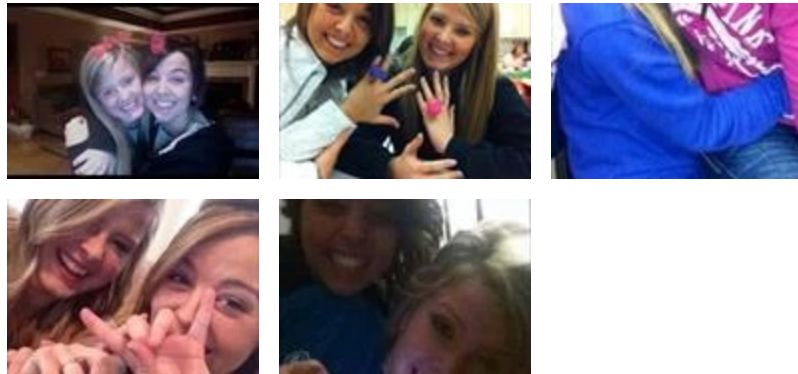

I'm at a loss for words. I've felt sick to my stomach since hearing the news. You and I were close throughout our childhood and high school. That friendship carried on when I transferred from Mizzou to SEMO. You welcomed me with open arms and showed me the ropes. You were such a positive energy and I could always count on you having that big bright smile on your face. I'll never forget how hard Rudy worked to FINALLY make you his girlfriend. Truth be told I knew you all were perfect for each other from the start. This is not fair. Life is not fair. I don't understand why bad things happen to such good people and you, Emilee, were the best of people. Your family, your friends, and your children will forever love and miss you. Until we meet again..

“ All of my favorite high school memories have Emy in them. She locked us out of the apartment every time I came over. I wish I had a video of the cheer stunt we did once to lift me through the window to get back in. At every sleep over, we ended the night with a heart to heart. One of her favorite things to do ☐

“ Since neither had a driver’s license.... They would take the keys and just SIT and listen to music. Couldn’t leave the driveway!☐😂
Oh, and there was the time I’m sitting in the living room and I see Kandi pull up to a screeching HALT, jump out and runs across my yard??? Then she comes running back, dragging the garden hose to spray down her brand new car because Emilee, world’s most car sick kid, had initiated Kandi’s new Ford!!! Em was so much fun to have around our house..... stories of her put a smile on my face.
