“ A good heart has stopped beating, a good soul ascended to heaven. May our Lord bless and comfort the Maucher family during this time of loss.

People come into our lives at random times, they come and go, but from the first time I met Erika we had a special bond. I will remember Erika's vibrant soul and her contagious spirit. The memory of her laughter brings a smile to my face. Watching her grow up taught me so much about living life to its fullest. She challenged me to not always be so serious, and to learn to laugh at yourself. Our first play dates involved hiding under the bleachers at Affton Athletic Fields, playing in the empty ball fields at Fenton, and many many trips to the concession stands. When we were together we were having fun!!

She will be missed greatly. She will always have a special place in our hearts. Stefanie Maucher, Roger Maucher and family, I will continue to lift you up in prayer. May the many memories wrap you in comfort. Love you guys!!

“ *I hadn't known Erika very long at all as I had recently become her caregiver and in this short time, Erika and Carli have stolen my heart and became family! Everyday Erika would always seranate me and dance to Grease in the living room. She was always making me laugh and was always smiling. She enjoyed aggravating her sister then making her laugh and smile like she didn't do anything. I remember helping her pack for camp and she wanted me to pack literally everything into her suitcase because she was so excited. In the short time I've known her, she has gave me so many memories in such a short time. She's taught me to always smile, and to enjoy life even if it means dancing your heart in the living room. I'm sure gonna miss you Erika! Thank you for being your silly spunky self! Fly high beautiful angel! 💜 Love always, Katie Edwards*

“ *While at NHS Erika was also basketball manager. It didn't matter how good or bad the game going was Erika was always smiling, cheering, and making the team smile. Erika taught us all that it's not always about winning or losing but enjoying life. Erika always had a smile on her face, brightened every basketball practice , and made my life better just by being a part of it. Thank you Erika for showing me true joy and happiness and always making me laugh.*
