“ *I am sad to hear of the passing of Uncle Ernie. Although I did not get a chance to get to know him well, I will never forget him or the stories I was told of him, by my grandpa (Ernie's brother) Jim. I am sorry I did not hear sooner however I take great comfort in knowing that all of Uncle Ernie's closest friends and family were there to comfort each other in this time of sorrow, as I know Ernie had many of both.*

“ I have written and erased this message twenty times. I just do not know how to say how sorry I am to someone I hold in the highest regard. I think of you often and you are the topic of many Brennan Woods reunion conversations. Maybe you could come next time. Until then, you will be in my thoughts and prayers.

“ My thoughts and prayers are with you today as you celebrate Uncle Ernie's life. He will be truly missed. Uncle Ernie inspired me to attend the University of Minnesota and I enjoyed talking to him about his memories of his time there. I really appreciated his sharing some old family pictures with us, which I will always cherish.

“ I am saddened to have received from Laurie, the news of Ernie's passing. Ernie and I had faced many difficult situations together at Anheuser Busch. We had also shared numerous pleasant lunches at the Dining room. The memory of our close association will always remain in my heart.
