“ *Growing up as kids we would always get excited to go to Uncle Gene and Aunt Essies. When we went there we could be ourselves and not have to worry about getting too rambunctious. We could alway count on the "get me a beer bud" from Gene and "how you doing hun, are you hungry?" from Essie. The love she showed for everyone was from the heart. She has put her mark on the each one of us that knew her to be better persons. Love ya Aunt Essie.*
