“ Dear Mom, You have only been gone for two days and it seems like eternity. My only consolation is that you are whole again in mind and body and most of all you are with dad. How lucky you are. I love you both with all of my heart and will never forget how wonderful you both were. I will strive to be the person you have always taught me to be. Aaron will miss you so much. Until we meet again always know I love you forever and ever.

“ Jim and Etta Mae will always hold a special place in my heart. I will always remember the dinners on Thursday night with the whole family. It was a special time, not because anything exciting happened but because we were all together laughing. Hard to believe they are both gone. Prayers to the family during this difficult time. Will always love and miss you.
