“ A good loving father to his children, a loving husband, a hard working provider for his family, an awesome father inlaw, a good listener easy to talk to, very knowledgeable about most anything and pleasant to be around, Gene is going to be missed by all he has touched.

“ You were the best pawpaw anyone girl could ask for! You were always there to help me out no matter what the situation. I'm going to miss all your funny jokes you would always tell me and then crack up at them yourself! :) I'm also going to miss your contagious laugh and smile that could brighten anyones day! I know you and granny are up there just having the time of your lives! I love you both so much, and before you know it we'll all be together again!
