“ Gene was so full of life and always ready for fun. Every time our paths crossed he made me feel like the most important person ever. I am blessed to have known this wonderful man and his family. He and Betty have raised what I consider the perfect family and of which he was proud. I love you all.

“ *My deepest sympathy to the Prasuhn family and the community where Mr. Prasuhn was so well known. I have not seen Pops for quite awhile but I will always remember our conversations and his mentoring. Pops you were one of a kind and we need more men like you. Hold onto the memories and good times as they can never be taken away. CHEERS!*
