“ *We will miss our family matriarch, but we know she is walking on streets of gold and having a great reunion day with Jesus and loved ones that have gone before her.*

We will carry on her legacy.

“ *To the family of Eunice Walker...there has never been a more wonderful and loving person as your mother, (other than my own). I will never forget the times spent with her. She was such a warm and giving person who was always willing to help any one in need. She was so proud of her family and always was the one to take care of them. I regret not getting out there to see her. Rodney and your family always made a special place in my heart and will always be there. Please let me know if there is anything I can do for you. With deepest sympathy,*
