“ Joan was a wonderful friend to my mother when my mother resided at the Barclay House. But when my mother moved, she kept going back to the Barclay House to see Joan. After my mother broke her hip and moved to a nursing home, Joan still kept in contact with her. For years Joan sent cards and phoned to check on her and to give my mother a real lift in spirits. When my mother died in 2010 she had very few friends still alive, but Joan had never forgotten her. Rest in peace, dear, wonderful lady. I loved your accent and your attitude.

“ Joan and I shared our joys and sorrows in a friendship that lasted 60 years. We met in Florida where we began to blossom into the ladies we were to become. We were always there for each other and helped each other through the rough spots in life. There is an empty spot in my heart now for the friend I so dearly loved. But I will always have the wonderful memories we created over the years.

“ Paula, Bob and Brad, We are sad to hear about Joan but do remember the GREAT times at the Griese house. Early years and a lot of Christmas. Our Prayer are with you now. One day at a time helps.
