“ I have many fond memories growing up next door as do all the Roses. We went through a bunch of pictures over the weekend and celebrated some of the good times. Remember when Jim put hair from the barber shop around the garden to keep the rabbits out? Evelyn said, Jim, what's that over there?" as she pointed to the bunny sitting inside the hair lined garden and laughed as she always did!

Thinking of you all. Wish we could have been with you.

“ *To Aunt Evelyn's Family;
You all have my deepest sympathies. Evelyn was one of a kind. She loved teasing and making jokes and I feel honored to have considered her a friend.
She has teased me about buying Ice Cream on an Ozzie Smith homerun bet for about 20 years, and I will cherish those memories forever.
Thank you for sharing Evelyn...

“ *I will really miss Evelyn at our Bible studies. We loved to tease each other, and she had such a hearty laugh. I also really enjoyed getting to know her on our trips to the Muny. I am sure that her laugh is filling the heavens and I will be praying for God to comfort those she left behind.*
