“ I had Mr. Minton in the 5th grade. He was a wonderful person and teacher. There was not a single day I didn't look forward to going to his class. I don't think I was alone in my admiration for this fine gentleman and educator. I believe most of his students over the years felt and still do feel the same about Mr. Minton. I think about him, our class and our school almost daily. Of all my childhood memories at House Springs Elementary, Mr. Minton is at the top of the list.

R.I.P. Mr. Minton. You live in the hearts of many.
