“ It's been a year ago today sis since you left this world to go be with Jesus. Bec- I miss you more and more everyday. I can still feel our kiss and hug the night before you passed. Our family is so lost. I know how hard it hurts for me and I can't imagine how Mom and Dad feel or Tyler, Kaden and Carlie. I promise to keep your memory alive and teach your babies all about you. I will love them as you would mine. We miss you so much, but we will be together again-- happier than ever. I am so proud to be your sister and Becky I know that you are here with us in our hearts so I ask that you help us to ease the pain. I can't wait to the day we meet again. I love you sis!!!!

“ *Watching you grow from a small child to a beautiful adult...it's hard to believe you are gone. We will always remember you in our hearts. Your laughter and that mischievous twinkle in your eye. To your family our deepest sympathy. You all are in our prayers and remember you were a wonderful, loving family to Becky. The Abel Family*
