“ *Our father, Mark Hoover, always spoke so fondly of the role that Fern and Floyd played in his life. Both of these loving family members forever changed the path of my immediate family not only by welcoming our father into their home, but also leading us, by route of her brother and our grandfather, Roy towards the light of God. Thus, guiding us to follow in those footsteps for generations to come. May our loving Fern find her way to God welcomed by the familiar faces of those who passed before us. With love and sympathy,-The Mark & Vicki Hoover family*
