“ *If Grandma had a meaning*

I'll tell you what it'd be

if you were close to yours

like mine was close to me

Grandmas are always there

*to lend a shoulder and dry your tears to comfort you in everything
and help conquer all your fears*

*Despite all the wrong you've done and all the wrong you'll do a
grandma will always be there and unconditionally will love you*

A grandma will inspire you

to follow your every dream

*she tells you "you wont be alone" because you're going to be a
team*

Grandmas are always busy

*although their hearts are tame they tell everyone about you so
everyone knows your name*

Grandmas will keep everything

*from when you're young till now and when you dance on Broadway
for her you'll take a bow*

Without grandmas we'd be lost

*and our tears would not be dry and we would not be encouraged to
spread our wings and fly*

To my grandma I say "Thank you" My heart will always be

with you every day, and I know you're here with me.

“ I did not know Tommy, Or Shelby, very well, but I volunteered at the primary building when Shelby was a student there. I do remember how much she adored her Daddy. Shelby would light up like a Christmas tree when he came to pick her up. She was always in such a hurry to show him the things she made in class.
