“ Frank was my only brother in law. He was quite u ntill he was interested in a conversation. We both taljed alot about bus driving and the students we transport. He loved his bus job and had alor to say. Lol, but, i will miss him dearly. He was always there to help and carried great advise to all of us. We will miss him and thank God he was in our life in the first place. Rest In Heaven Frank. It's gonna be tough because so many cared and lived you. See you again God willing.

“ Frank was one of the first people I encountered after transferring to the truck plant. He was pretty laid back, though he riled easy. Made me feel at ease on my first permanent job, introducing me to the women around, one of which happened to be his lovely wife. Who knew then we would spend many breaks and lunches together and will never forget the party at your beautiful home in DeSoto. You were a wonderful man who will be dearly missed. RIP Frank, you've earned it.

Love, Lea

“ *My family has been friends for over 60 years. We all grew up together and enjoyed spending time with Frank, Sandy, Donna and Baby Ronnie back then. Don and JoAnn were the kindest people to us and all are missed. So sorry for the loss of brother Frankie so soon after Sandy.*
