“ *I know its only been a year since you've gone. But, oh your memory is still very strong. We knew one day you'd have to go. You had so much more to gain by going to Heaven where there is no pain. Frank there's not a day that goes by that we don't think of you in the sweet bye and bye. I wish we could see you one more time to say we miss & love you and give one more big hug. We will always keep you alive in our hearts and alive in our sweet memories of you!*

We all love each and everyone one of you but it still don't lessen the hurt we feel everyday. But you all are kept alive in our hearts and our memories everyday we are alive.
