“ *The service at Chapel Hill was perfect. Roberta and Chris did a
wonderful job arranging all of the details. My father looked handsom
as always. All of the flowers were beautiful. The Chaplin and my
Uncle Jim said all the right things. Family came from all over the
United States to support us and say goodbye. The presentation of
the flag to my step mom at Jefferson Barracks made me feel very
honored to have him as my father. He was a wonderful man with a
heart of gold. Thank you all for your support in this difficult time.*

“ *I'm very sorry to hear of Fred's passing. My father is Fred's half-brother. I'm glad I had a chance to finally meet him a few years back and wished I would have had the chance to get to know him better. My sympathies go out to Roberta and the rest of Fred's family.*
