“ *Over the last 25 years, Ed was sometimes my co-worker, mentor, and counselor. But more importantly, he was always my friend. Although our paths had not crossed in awhile, his passing leaves a huge whole in my heart. I hope he knows how much he will be missed.*

“ *Drew's family and close friends, I'm so sorry for your loss. I worked with Drew at Savvis and know what a joy he was to be around. Drew was incredibly helpful and understanding. I always knew if there was something I didn't understand, Drew would not hesitate to lend a hand. He will be missed by all of us who were able to call him a friend.*

“ To Drew's Family and Friends..

I was a co-worker of Drew's at Savvis and I would like to add that he was very instrumental in reaching out to me and making me comfortable when I was a new employee. Drew tirelessly worked to make sure all those around him got help and the support they needed. I'm completely saddened by his passing and I am praying for all of you.
