“ *I just learned of Fred's passing and am in total shock. Fred and I were friends for over 60 years and spent countless hours together...going through school, working together, double dating, hunting and doing the wild and crazy things that teenagers and young adults did, back in the day. Fred's amiable nature, award winning smile and sharing attitude we're refreshing. People gravitated to Fred because he was a good, kind man. I will really miss my buddy.*

Deepest sympathy to Phyllis and the entire family. Find solace in those wonderful times you spent with Fred and in the love you shared.

“ Sorry for your loss & our condolences to Anna, Krista, & Nick (Mr pickles).
Whenever I was able to come home on leave, depending on the the of year. Fred always made time to get together to go on a hunt. Shoot trap, or play racquetball.

RIP Fred

“ I only had the blessing of Fred in my life for a couple short years, however in that time Fred brought wisdom, discernment, optimism and comforting calm at key times in my life. I can only attribute the timing to be Gods work via Fred. I will miss his wisdom and shared experience. I have faith that we will smile and chuckle with Fred again. 1-Thess. 4: 13-18.

“ *We're so terribly sad to hear of Fred's passing Phyllis, Anna, Krista, Nick, Alex, Michael and all the rest of family and friends. He was a sweet man and kind to me since you were 18 Anna! Every time we came to to the get togethers he had a big smile for us and good conversation. Bless his soul and may God help you through grief and all the other feelings you'll be dealing with. I love each of you. Just let me know you need something and we'll be out doing it. Don't hesitate. 💔🙏*

“ *My family lived next door to the Kuhn's as we all grew up. I have many memories of this family and hold them all dear to my heart. As time and miles often do, we have not had contact for many years. It saddens me to know that Freddy's life has been cut short and that his family must deal with the emptiness of having him gone. My prayers are with you all.*

Your sorrow is shared, but that doesn't make the burden less.

Sincerely, Patti (Spruell) Coile
