Dear Dad,

Thank you for always being there for me. You truly knew unconditional love and importance of family. I'll always remember the bicycle rides on The Great River Road you took my brother and I on and hiking the Bluffs. No matter what you were always there during the good and the bad. What I find peace in is knowing you and my brother are together again both in Heaven. You will be greatly missed by many. I love you Dad!

~ Ashleigh

“ Ashleigh and family,  
I am so sorry for your loss. He was a kind man and so was your brother. Your dad always had a smile and somethings silly to say whenever I hung out at your house in high school. Those were some good times! Hold those memories close your heart and continue to share stories of him.  
Hugs & Love,

Gary always had a smile on his face every time I seen him without a doubt. I remember all the neighborhood guy s coming over our house after midnight mass at St. Michael's a block from my house those our precious memories. My family really loved Gary and he was close to my brother Lenny before they went to Vietnam and after. Rest in Heaven
