“ *My heart-felt condolences to everyone. Gary and Ann and Cathee, Jackie, Timmy, and Billie were some of the best neighbors we have ever had. I know you will never stop missing Gary. He was a wonderful husband and dad. He was always so good when we had a car problem. Knowing that he is in the arms of a compassionate God does bring hope, but it does not fill the hole that Gary will leave in your hearts. As you grieve individually within your family, also allow each other ample grace and freedom to express that grief, as it will pop out in unexpected ways for months and even years.*
