“ I have known George for over 25 years, from Saturday morning golf at the old St. Charles golf course and from the Metro Seniors. George was a "one of a kind" person who had a love/hate relationship with the game of golf...as do most of us! I will miss him on Friday's with the Metro Seniors. I'm sure he will be reunited with all of the "St. Charles golfers" who have gone before him (Wink, Frog. Carl, Fred, and all the rest). God Bless You George.

“ I met George about 10 years ago on a golf trip to Rend Lake. He always had a joke or a funny comment. We drank a lot of beers together. I will truly miss him on our golf trips and Friday metro seniors golf. What a great human being. GOD BLESS YOU !!
