“ Sis was so nice and kind. I loved her little laugh, it always made me smile. She is free from pain now and gone from us in person, but she'll be forever in our hearts. May God grant her family peace and comfort. Deepest sympathy, David and Chris.

“ I have lost my connection to the family's past. We could laugh at some of the silly things that happened and share some of the sorrowful memories and , in doing so, try to understand them. We discussed how we tried to live and do better.
