“ I went through so many amazing pictures today of you. I am so blessed to be a part of a wonderful loving family. If it wasn't for Jerry I wouldn't be a part of this family. He may not have changed the world. But he changed mine. He matchedbme with my husband/ life partner and treated me like his own. I gained a bonus dad. He was there for all the moments my father could not be here for (God rest his soul). Jerry never treated me as a "in law" he loved me as his own. I will always remember him for his sense of humor, his love for his wife, kids, and grandkids. He never was serious he was always a jokester and life of the party, especially the fourth of July. Not one picture I seen today was he not smiling. So many silly faces and smiles. It was an honor to have someone in my life to be there for me. He helped his wife Debbie raise an amazing son that turned into a great husband, father, and hard worker. He was there with me as I brought his grandson in the world (Gerald Charles Lyston III).I am going to miss his sweet side smile. So many memories from taking me cruising on the pontoon, the Harley, and lifting us up in the tractor bucket. it is so hard to choose just one. I think my favorite memory was him calling me up to ask me to go watch his son race, and changing my life by matching us up together. He was our cupid. I also enjoyed watching him shop and set off fireworks and listening to his playlist. It was like watching a little kid in a toy store. He marveled in the beauty of sparks in the sky. Now we will honor you every 4th of July by sending our lights in the sky. No matter how beautiful they are, you have the best seat to see. Thank you Jerry for the laughs, love, and great life you created.

“ *Every time I saw Jerry, he always had his hat on. He didnt know a stranger. He could talk to anyone. When he laughed, it was a big belly laugh. When we went on the first trip to New Orleans we were at the hotel sitting at a table laughing, talking and having a good time until someone did a drive by. I never saw so many of us scatter so fast. Now you can comment on it and laugh. I also remember the day we all walked to the Gold and Pawn in Vegas. It was on our bucket list to do. Seemed like it took forever to get there. And the prospecting in Arizona. He really enjoyed going out, to do what the miners did. Hoping to strike it rich. He will be missed. Taken much too early. love to you all. Anita*
