“ *Well, another star will shine brightly in Heaven tonight. Many, many people will miss you sweet Glenda. You were a blessing to so many people including Dale and me. On the way to work after I heard about your passing I heard the song "Restless" and immediately thought you are restless no more because you are resting in the arms of your maker entering into the kingdom you so very well represented in your everyday life, true and faithful servant. The Lord's peace be with your entire family and our Parish, till we meet again.*
