“ *There are so many wonderful memories of Glenda and our friendship over the years that we worked together at Delmar Gardens MV. I can fondly remember when we would have a staffing challenge in either her department or mine, and we would just rise to the occasion for the dear residents. Was it hard work, yes, but Glenda was a hard worker. She was a good person and the residents liked her very much. I regret that I lost touch once I took early retirement. My life was much richer for knowing her and her kind personality and unflappable spirit. My sincere condolences to the family of Glenda. She was my friend.*

“ *I loved working with Glenda, we always found something to laugh about. She even got me a Bob Seger tshirt when I couldn't make it to the concert. She was the best!*
