“ *You will never meet anyone like my stepdad. He was truly one of a kind. He had a heart of gold and was the most selfless person. My favorite thing about him was his personality and sense of humor. I was always laughing and was the happiest when I was around him. To say I love him is an understatement and to say I'm going to miss him is an even greater understatement. I will always cherish him and the memories we made. I will forever remember having the greatest stepdad.*
