“ I have so many amazing memories with my Aunt Gretchen. Summers were always fun-filled tagging along with my cousin to wherever vacation spot she had planned out for us. I remember being little and watching her study hard for her specialty nursing certifications. She was the reason I got started working in healthcare and pursued a nursing degree. She always believed in me and helped me believe in myself. Her memory I will always hold dear.

“ I have so many fond memories of Gretchen. I started out as a CNA while in nursing school and she was my nurse and was pregnant with Jesse!! Work with her at PCC for 18 years! We would go to conferences and always had a great time. While doing different things on our travels, we would be cutting up and we were asked a few times what we had been drinking, but we hadn't had a drop!! There will forever be a special place in my heart for you Gretchen!!! Fly high dear friend!
